# VISION

The goal of Manav Rachna Online is to facilitate education and increase its access to prospective learners and providing opportunities to make efficient use of scarce resources in light of the new economic realities of higher education.

# MISSION

Our mission is to help students develop industry-oriented skills and achieve their academic and professional goals through online learning methodologies. We aim to impart hands-on training and experiential knowledge for students to gain multidisciplinary know-how.

# ENVISION YOUR GROWTH STORY

In today's world of digitization, technical education stands at the crossroads of keeping pace with the emerging needs of humankind along with fast changing trends in governance and scientific development. Keeping this in mind, Manav Rachna has launched "Manav Rachna Online" to provide quality programs to those learners who are not able to draw benefits from conventional systems of education.

The online programs will help the learners to achieve an academic degree along with flexibility and relaxation. These online programs hold equal academic value as on-campus degrees and help learners in developing themselves into an industry ready as equivalent to a conventional degree.

Students can perfectly reshape their career and future through impeccably designed online programs.

A renowned faculty, advanced curriculum, and technology-driven content delivery lead to the successful implementation of the online programmes.

**Dr. Prashant Bhalla**

President, MREI

## MESSAGE FROM THE PRESIDENT

Dear students,

At Manav Rachna Online, your learning outcome will meet the same world-class academic standards. As students in the campus, you will have the same access to facilities, the same access to the heritage of excellence at MREI and the same sense of pride in your degree. So experience the pride of being a part of Manav Rachna Online and its community, while engaging with your fellow learners and teachers.

We realise that online learners are subject to all the usual pressures of learners studying in any university, with often a whole series of other added life pressures whether it be financial, social, work, time consuming family or caring responsibilities.

We support your well-being and we want to make sure that you enjoy your time studying here and that you emerge stronger and more knowledgeable as an individual. Our best wishes for a very invigorating learning experience.
