

WORLD-CLASS ONLINE LEARNING FROM MREI

ACADEMIC SESSION 2021-22

MANAV RACHNA
CENTRE FOR DISTANCE
AND ONLINE EDUCATION

VISION MISSION VALUES

VISION

Through Online Education, Manav Rachna stands tall to bring the most efficacious environment for providing higher quality academic and research oriented education to the aspirants. Manav Rachna Online education facilitate the goal of increasing access to enduring learning prospects to students and provide opportunities to make efficient use of scarce resources in light of the new economic realities of higher education.

MISSION

To provide an exclusive learning environment to students with flexible and meticulous online learning opportunities that will guide students to acquire the knowledge and skills as per the requirement of society at large. The aim of Manav Rachna Online Education is:

- To develop emerging skills through online learning methodologies to pursue their Academic & Professional goals.
- To impart profound knowledge and understanding of conceptual aspects of multidisciplinary learning.

VALUES

As an engagement and online university, we support its mission of outreach, research, and service. For our students, we: Cultivate. We provide prompt service and counsel, fostering a partnership with each student. We help students become a part of the MREI community.

Advocate. We put students first, taking the time to thoroughly understand their needs and goals. We do everything we can to create a positive experience throughout their educational journey. Empower. We collaborate with students to ensure they have the information and guidance they need to make sound decisions. We offer encouragement and foster success as they pursue their educational goals.

We embrace the values that provide the foundation for our work as an educational community. At Manav Rachna Online University, we demonstrate: Accountability. We take responsibility, perform at or beyond expectations, and are reliable.

Innovation. We work together to generate and share ideas, make continuous improvements, learn from our failures, and celebrate our successes.

Curiosity. We are eager to learn, confident about sharing our knowledge, and welcome opportunities to broaden our understanding of areas inside and outside of our areas of expertise.

Communication. We seek to understand others' perspectives, articulate our thinking and decision-making process, treat people with respect, and maintain professionalism.

Service. We invest in the success of MREI by seeking what is best for our students, supporting our colleagues, and building on their contributions to our mission of teaching and engagement.

Engagement. We cultivate an environment of inclusiveness, tolerance, professionalism, and mutual support.

ANOTHER FEATHER IN THE CAP OF MANAV RACHNA EDUCATIONAL INSTITUTIONS

The National Sports Awards 2021 saw Manav Rachna Educational Institutions (MREI) being conferred with the Rashtriya Khel Protsahan Award 2021. On this momentous occasion on Saturday 13 November, Dr. Prashant Bhalla, President, MREI and Dr. Amit Bhalla, Vice President, MREI accepted the award from Shri. Ram Nath Kovind, Honble President of India, on behalf of Manav Rachna.

Not surprising for MREI has a rich sporting heritage. An array of world-class sports facilities for outdoor and indoor games (comprising basketball, volley ball, cricket, shooting, table tennis, squash, billiards, soccer, chess, carrom, among others) offers infrastructure to cater to budding sports learners. There is a 25m Shooting Range and 10m air conditioned Indoor Shooting Range operated on SIUS Ascor electronics targets of Olympics standards. Manav Rachna also has indoor badminton and table tennis stadia with synthetic courts. These offer the best facilities in the country. A Sports Fitness Centre to meet psychological, physiotherapy and other health related issues is also available. Besides, Manav Rachna boasts of a Soccer Academy and Semi Olympic sized swimming pool. High level coaching is provided under the guidance of well-known coaches.

Aiding these endeavours is the Manav Rachna Sports Science Centre, encompassing a variety of expert Sports health professionals with three decades of experience.

**RASHTRIYA
KHEL
PROTSAHAN
AWARD 2021**

MESSAGE FROM PRESIDENT

'We have many students at MREI and soon, online students. We regard them all as very important members of our community and we don't make a distinction in terms of who is physically present on campus and who is not.

Your learning outcomes will meet the same world-class academic standards. You will have the same access to facilities, the same access to the heritage of excellence at MREI and the same sense of pride in your degree. So experience the proud that you are part of Manav Rachna Online. Please feel that you are part of our community. Engage with your fellow students and your faculty.

We realise that online learners are subject to all the usual pressures of students studying in any university, with often a whole series of other added life pressures whether it be financial, social, work, time counting family or caring responsibilities. We support your wellbeing and we want you to make sure that you enjoy your time studying here and that you emerge from it stronger and more knowledgeable as an individual.'

Dr. Prashant Bhalla
President
MREI

MESSAGE FROM VICE PRESIDENT

Welcome to MREI. We are driven by a desire to help students attain the highest level of professional educational excellence. Everything we do leads toward one outcome: distinction. We are committed to fulfilling the MREI promise.

We follow in the footsteps of our visionary founder, who foresaw Manav Rachna as a natural partner both for the region's ambitions and to address the well-being of the community. For him, none was more important for MREI's academic eminence and impact than an insistence on recruiting and supporting the finest faculty in the world. This stays our standard till today.

MREI's innovative curriculum centres, and research opportunities are designed to solve today's pressing problems and help students learn from renowned faculty members and strategic partnerships.

Through partnerships, we are transforming the way education is perceived and taught as a discipline while bringing a diverse population of students to our programmes. Our programmes teach in an engaging way to create, advance, and build the future. Indeed, MREI offers an educational environment that is unique & what makes us distinct is the value and quality of our programmes.

Dr. Amit Bhalla
Vice Presidents, MREI

MREI INFLUENCING THE WORLD SINCE 1997

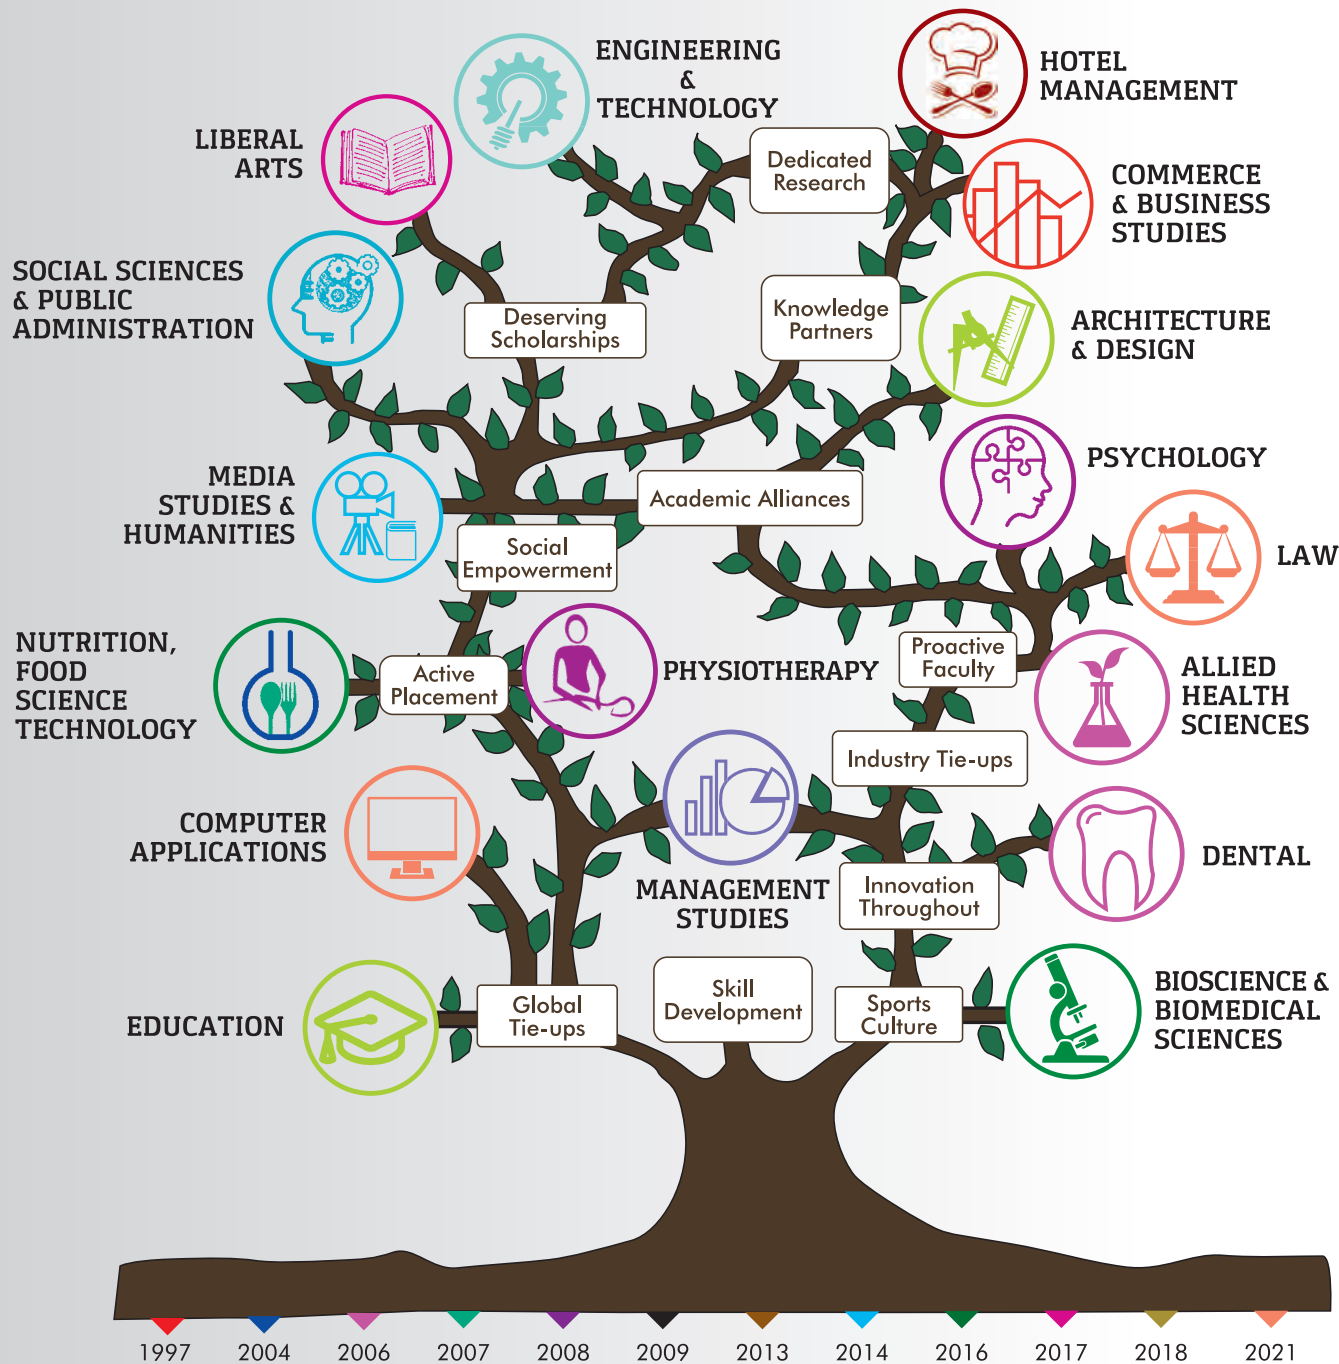

MREI has been changing the world for more than 25 years. Our alumni include renewed personas dotting the worlds of science, Engineering, Management, Microbiology, Psychology, Economics, Business Studies, Commerce, Computer Applications, Nutrition & Dietetics, Media, Food Science & Technology, Information Technology, Architecture, Physiotherapy, Hospitality & Hotel Administration, Education, Interior Design, Law, Liberal Arts, Physics, Chemistry, Mathematics, Sociology, Design, Dental Surgery, Political Science, Public Policy & Public Administration.

The work we do here is constantly expanding the depth of human knowledge and improving the lives of people.

Our academics are bringing broadband to remote communities, protecting ecosystems and advancing the public understanding of how our behaviours affect many things.

MREI students make a difference while they are studying through their interactions with the communities they are a part of. As graduates, our alumni go on to make positive impacts on the world using the skills, experience and knowledge they gain here.

Our innovative influence has always stretched far beyond our campus. Now, by embracing the technological and pedagogical opportunities of our digital age, we are expanding our scope, attracting more learners, offering more choices of online degree and widening our outreach. We have an online learning portfolio worthy of a world-class university.

CORPORATE RESOURCE & CAREER DEVELOPMENT CENTRE

CAREER DEVELOPMENT CENTRE

Industry - Academia gap remains to be one of the most talked about factors in the employability scenario in the country. Manav Rachna Educational Institutions (MREI) not only provides a world of opportunities to students, but also aims at equipping them with the right blend of skills, to encash every opportunity that comes their way. Career Development Centre at MREI, engages with the industry and constantly strives for expanding the industry-academia interface.

MREI is accorded with the profound responsibility of enhancing employability skills of the students - an aspect that in today's world has taken as much prominence as the technical knowhow. Through a robust mechanism we impart training in Personality Development, Communication & Soft Skills, Verbal Ability, Quantitative & Reasoning Aptitude, spread across semesters, as an embedded part of every course available at MREI.

At MREI, living by the philosophy of "Nurturing Young Minds", we firmly believe that it is both our duty and privilege to harness the unleashed potential of our youth capital to enable them to discover and foster their talent.

Assessments & Preparation for Placement

CDC has also tied up with leading skills assessment platforms to foster detailed Training Need Analysis of the students. These assessments evaluate students on various

CORPORATE RESOURCE CENTRE

Trade, migration, technology & urbanization have completely changed the global employment scenario. The macro - economic environment continues to be challenged due to technological disruption. Today's skills are becoming history in no time. Hence the issue of employability in this country has become a national epidemic and gained gigantic proportions. While 250 million youth shall join the job market in the next decade demanding very different skill sets.

Corporate Resource Centre at MREI engages with Corporates and enables students in fulfilling their dream to get a job offer through campus placements. The centre offers excellent infrastructure supports at every stage of the placement processes in arranging pre-placement talks, written test, group discussion, interviews etc.

CRC manages ongoing relationships with leading Corporates to provide guidance on latest trends, and employment & training opportunities through Industrial visits, Industrial training & corporate lectures etc.

- 500+ patrons from reputed MNC's and Indian corporate
- 900+ offers have been made to Manav Rachna students of 2016-20 batch So far

Our Prominent Recruiters

MANAV RACHNA CENTRE FOR DISTANCE AND ONLINE EDUCATION

The ultimate touchstone of quality education is the quality culture permeating in any education Institution. In today's world of digitization, technical education stands at the crossroads of keeping pace with the emerging needs of humankind along with fast changing trends in governance and scientific development. The global transformation, trend of learning by doing, relevance to people and nation development-Manav Rachna International Institute of Research and Studies is the right place to gear up with a world class competitive edge. We are trusted to nurturing young minds and preparing them to deal with challenges of their future endeavors. Continuing the Legacy of our Founder Dr. O.P Bhalla, Manav Rachna has launched "Manav Rachna Online" to provide quality programmes to those students who are not able to draw benefits from conventional system of Education. Eleven programmes in different streams namely Computer Applications, Management, Commerce, Business Administration, Arts, Economics, Psychology, Design and many more will be offered by University in online mode with specialization in different domains. In Today's opportunistic world specialized education is essential for successful professional life. Manav Rachna Centre for Distance and Online Education has collaboration with prominent industry partners to provide global career opportunities to the students and prepare the students to acquire the increased technology intensive needs of today.

In addition, Manav Rachna Centre for Distance and Online Education provides multidisciplinary approach for the students to shape their career inside and outside their domain of education and to meet the evolving needs of the society. The commitment of multidisciplinary education is to broaden the participation of student in higher education and leads to a more diverse community. In multidisciplinary approach, students are inspired to select diverged courses from different disciplines to expand their knowledge, discover themselves through creative thinking and learn the skills of collaboration.

The online programmes will help the students to achieve an academic degree along with flexibility and relaxation. These online programs hold equal academic value to as on-campus degree and help students in developing themselves into an industry ready as equivalent to a conventional degree. Students can perfectly reshape their career and future through impeccably designed online programmes. The renowned faculty, cutting -edge advanced curriculum, technology driven and a remarkable content delivery will be helpful in the successfully implementation of online programs.

PIONEERING ONLINE LEARNING

The advancing capabilities of global online communication fitted perfectly with our strategic vision of widening access to our scholarship, learning and teaching to make a positive difference to people's lives globally. As soon as we had the technology advanced enough to deliver the quality of online programmes that learners wanted, we made it happen.

The right people with the right skills

We spoke to learners to explore what and how they wanted to study, and what they wanted their studies to do for them. Our academic teams utilised their expertise to develop courses that would meet those needs and surpass student expectations. We have built a team of learning technologists to create digital services that would deliver our online programmes to all students wherever they are. We developed a comprehensive support system to make online learners feel as much a part of our academic community as our students on campus.

Learning to suit your lifestyle

We are delivering our strategy of being a leader in digital education.

THE HIGHEST QUALITY TEACHING & RESEARCH

As an Manav Rachna Online learner, you will be taught by lecturers and tutors who are among the leading figures in their field and who are passionate about their subjects.

MREI is consistently ranked among the top universities and our academic staff work very hard to maintain their reputation for teaching quality and research excellence.

Although the emphasis is very much on independent study, our teaching staff will always be on hand to support you.

At Manav Rachna Centre for Distance and Online Education, Communities have been made for collaboration by making use of Buddy Press feature of the Learning Management System. Integration with GitHub has been done so that researchers will have the access to the official GitHub repository of the University and also to the discussion forums.

A student/ researcher/ faculty/ staff is required to have ethical and moral values in his academic pursuit. The student/researcher/faculty/staff is expected to produce and submit the original and genuine work. In the present era, huge amount of information is available on the internet and online as source material. In this context, plagiarism has become a serious problem. Recently, University Grants Commission's (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulations, 2018 published in Gazette of India, has come into the force. Thus, in compliance of the UGC's Regulations, MRIIRS, Faridabad is also exercising the following regulations pertaining to plagiarism. Student. Access of Urkund & Turnitin software is given to the instructors for checking content plagiarism

PUSHING THE BOUNDARIES OF DIGITAL EDUCATION

At Manav Rachna Centre for Distance and Online Education Learning Platform provides feature of personalized dashboard from where user can track the performance. Dashboard also allows them to manage their profile and courses in which they have enrolled. Students can track the scores in quizzes/ assignments. Admin dashboard provides access to the complete class wherein assessments can be graded by the instructor.

Students can learn at their own pace and can repeat the content as many times as they want. The platform is user friendly and quite simple to use by users who have basic knowledge of working with internet.

The information has been presented in easy and clear language so that users can easily navigate through different sections of the platform for learning. Appropriate use of graphics has been done to ensure that users find the information interesting and useful.

INTERNATIONAL EDUCATION CENTRE

IEC is a constituent facilitation unit of Manav Rachna Educational Institutions (MREI) which primarily looks after all matters relating to initiation, development, establishment and sustenance of relationships and tie-ups with Foreign Education providers and their representatives in India and abroad. IEC provides a single window service facility to all its international students through the International Education Centre, IEC. With its global outlook and reach, MREI have much to offer in the way of learning opportunities both inside and outside the classroom at Doctoral, Post Graduate and Under Graduate level in a truly international environment. It aims to develop and sustain viable, strong and long term International relations in the field of education that will benefit the students. The major role of IEC is to enhance MREI's International image on a local and International Platform, explore new relationships, establish communications with International Educational organizations and providers and also explore avenues to attract students from abroad so as to truly live up to the Institution's international image.

At MREI, The Areas Of International Cooperation Include:

- Student and Faculty Exchange,
- Online Classes, webinars, FDP's and online training by Eminent Professors of International universities
- Joint Research activities and consultancy Projects,
- Cooperation in Curriculum Development
- Twinning Programmes,
- International Training for students and faculty of MREI,
- Recruitment of International students,
- International Accreditations of MREI,
- Promotion and Branding of MREI at international level & other academic related activities.

The International Education Centre also endeavors to explore and develop potential Partners for joint ventures in India and Abroad. Besides, it arranges Foreign Faculty for Guest Lectures at MREI and tie ups for International Accreditations and Recognition. MREI has entered into partnerships and tie ups with various foreign universities and institutes across globe including USA, UK, Australia, Canada, Finland, New Zealand, Mexico, Turkey and many more.

We at MREI, realize it as our additional responsibility towards our International students as large numbers of foreign students join our University every year.

Keeping in view our responsibility and commitment towards International students, the International Students Welfare Committee has been set up. It is run by experienced professionals with a well-rounded global exposure to attend to foreign student's personal, administrative and academic matters/ issues/problems in the University Campuses be it at the time of their induction, joining or thereafter during their stay at MREI.

The MREI authorities leave no stone unturned in developing and coordinating activities to create and enhance a globally aware & culturally diverse educational environment especially for the foreign students.

MISSION
INDIA
TO FEBRUARY 5, 2016

RADIO MANAV RACHNA 107.8 FM

Community Radio Station: Radio Manav Rachna 107.8 FM - "Feel good Feel live", is a 24X7 Community Radio Station powered by 'Manav Rachna Vidyanatariksha'. Radio Manav Rachna (RMR) is dedicated to community service and is the voice of the community that serves with thoughtful and insightful programming. The programming of the radio station is sensitive to the needs and problems of the Community.

Being the first and only Radio Station in Faridabad covering approximately 25 kms aerial (Faridabad and Ballabgarh) Radio Manav Rachna 107.8 has a reach of mix population of Faridabad comprising of Urban, Semi urban and Rural population. Radio engages with the community on a daily basis, creating an emotional and imaginative bond with listeners. Now after completing more than a decade (established in 2009) Radio Manav Rachna 107.8 FM, has made a prominent place in the heart of listeners with choicest content rich programs which are socially relevant and believes in bringing a positive change in the lives of the listeners.

Health awareness is one of the prime focus areas. Doctors, Gynecologists and various para medical experts are invited for health related programmes. Being a Community Radio a lot of emphasis is also given on social issues like Drug addiction, Anti-tobacco, Road safety, Environment, Sanitation, Women Empowerment, judiciary, Mental health, Counseling, Water Conservation,

Blood donation, Education, Skill development, Smart city and many more. Presently during the time of pandemic - Covid 19 various awareness programmes to fight against corona, Plasma donation, Corona Warriors have been taken up to sensitize the community. RMR is also a media partner for plasma donation with district administration. Various community development programs and projects have been taken up to spread awareness in association with local administration to address community at large.

Radio Manav Rachna also strikes a unique chord with the youth and senior citizens as RMR understand their aspirations, dilemmas, challenges; they are often part of the bustling radio station and are interviewed on topics which are relevant and important to them. Many spiritually awakened community members are invited to discuss elements of divine awareness and better life. Working on a format of Infotainment different programs on career counseling, parenting, culture and heritage, research and innovation, spirituality, sports, fitness, relationships etc are regular features of RMR broadcast. Every year a campaign is taken up by RMR on its foundation day which is carried the whole year to spread awareness. Many concerns have been addressed by such campaigns like Cancer Awareness, Tobacco Eradication, Women's health & Sanitation, Save Energy, Pollution, Swachhta Abhiyaan, Literacy for all, celebrating the work of unsung heroes of society and many more.

Radio Manav Rachna 107.8 FM is also working very closely with various Government organizations in disseminating information to the local masses through their promos/ jingles. Radio receives the information to be disseminated and as per the protocol information is broadcast in its various verticals of programmes like Education, Industry, Technology, Innovation, Administration, Life Skills, Culture and Heritage, Travel, Women Empowerment Counseling and many more during the day for public welfare. For Example programmes with

1. Vikaspedia and Centre for Development of Advanced Computing, a premier R&D Organization under Ministry of Electronics and Information Technology (MeitY), Govt of India on Atam Nirbhar Bharat.
2. Community Radio Association, Ministry of Information and Broadcasting on Girl Education, a Room to Read Programme
3. National Small Industries Corporation (NSIC) on Business Hour,
4. Corporation Bank on Finance Mantra,
5. NGO - REACH on T.B. Jaanlewa nahi, Jaankaari hai bachaav & Sahi Poshan, Desh Roshan,
6. NSCTC, Department of Science and Technology, Govt. of India on Nayi Zindagi Nayi Dishayein (Women Health).

7. DAVP advertisements regarding Government Programme and Policies
8. Niti Aayog for awareness programme on Corona, Dengue, Malaria
9. FIT India movement for promoting Healthy Life
10. Regional Weather Forecasting Centre, Meteorological Department, India for Weather Forecasting
11. Faridabad Education Council for Teachers on Call Programme
12. Faridabad Administration regarding Plasma donation during COVID 19
13. BBC for various community programmes
14. Petroleum Conservation Research Association, Ministry of Petroleum & Natural Gas, Government of India for Energy Conservation Awareness
15. Cancer Awareness programmes with Indian Cancer Society
16. SME schemes for Small, medium and micro enterprise

With a state of the art, energy enthusing colorful interiors and studios, RMR has spread its wings on the digital platform also by its YouTube channel "MR Infoline". This Channel further provides an added advantage to reach all seamlessly 24/7 on the web.

MANAV RACHNA CENTRE FOR DISTANCE AND ONLINE EDUCATION

ADMISSION PROCESS FOR ONLINE PROGRAMMES

STEP I: SUBMISSION OF ONLINE APPLICATION FORM

Application for admission is submitted online only on the Manav Rachna online Admission Portal. The candidate may fill the application form without waiting for the results of qualifying examination (XII/ Graduation/ Diploma as the case may be) before due date. Once online application for admission is submitted successfully, the system will generate a unique application number which must be noted by the candidates as the same shall act as a Reference Number for all subsequent correspondence till the candidate is actually admitted. Student can register through following link:

<https://apply.manavrachna.edu.in/online-programms>

STEP II: UPLOADING OF DOCUMENTS

Every candidate is required to upload the following documents along with the application:

- Class 10th mark sheet: Mandatory for all Programmes
- Address Proof: For all Programmes (Mandatory)
- Documentary proofs (Under Special Category)

UG Programmes

- 12th standard mark sheet (if result is yet not announced: school ID card + score card of XI class/ predictive score of XII class issued by school authorities): Mandatory

In reference to the letter no. F-No. 22-23/2020(DEB-II) dated 23rd November 2021, UGC has given approval to six Programmes for “Centre for Distance and Online Education” at Manav Rachna International Institute of Research and Studies as follows:

- Bachelor of Computer Applications
- Bachelor of Business Administration
- Bachelor of Arts(Hons.) - Economics
- Bachelor of Commerce
- Masters of Computer Applications
- Masters of Business Administration
- Masters of Commerce

MANAV RACHNA ONLINE LEARNING MODULE

MRIIRS is accredited with "A" Grade by NAAC (An autonomous institution of the UGC). It enjoys unparalleled reputation among all stakeholders i.e. its students and their parents, employers and the community at large.

The ultimate touchstone of quality education is the quality culture permitting in any education institutions. Manav Rachna Centre for Distance and Online Education provides quality programmes to those students who are not able to draw benefits from conventional system of education. It provides multidisiplinary approach for students to shape their career inside and outside of their domain of education and to meet the evolving needs of the society. Manav Rachna Centre for Distance and Online Education follows Choice Based Credit System (CBCS) with a basket of good number of Elective Courses including Discipline Electives, Generic Electives, Open Electives and Industrial Training have been embedded in the curricula for all the programmes. The course work is supplemented by invited lectures from eminent persons from academics and experts from industries. Soft skills training are provided to make students recruitment ready for job opportunities in IT industries and other enterprises. Manav Rachna Online has collaboration with industries like Cisco, Red Hat, Palo Alto Academy & Quick Heal Academy which will help students for their placements. The Faculty will regularly in touch with industry & their knowledge partners with a view to ensure that the students are kept abreast with the latest developments in Technology.

The students will be provided the feature of the learning community where they can coordinate with researchers, faculty members

and students whenever needed. LMS supports sharing of teaching content in the form of PDF, PPT, Docs, MP3, MP4 etc.

The students will be evaluated through various assessment tools like Short Answers, Long Answers, MCQ's, True/False, Fill in the blanks, Pattern Matching etc. are on LMS. The students can also be accessed by Google forms and Game based assessment.

The content of each course is available on portal in four quadrants.

- **Quadrant 1:** E-tutorial videos (Self Recorded videos of Course coordinators).
- **Quadrant 2:** E-Content (shows unit wise PPTs of complete syllabus of the course).
- **Quadrant 3:** Discussion forums/synchronous mentoring (Frequently asked Questions (FAQs) of the course). Synchronous online counseling/webinars.
- **Quadrant 4:** Assessment and Self Study (unit wise assignments and quizzes of the course).

Where students can view all the content through their login ids and passwords & they can also upload their assignments on it. If student is facing any kind of difficulty in the academics, they will be getting online academic counseling support. After completion of the program, students will get their degree online, student's physical presence is not mandatory for the same.

Apart from above mentioned facilities in Manav Rachna Online, all course coordinators and students have their GitHub account. GitHub is a code hosting platform for version control and collaboration. It lets you and others work together on projects from anywhere. It allows for seamless collaboration without compromising the integrity of the original project. Students will collaborate & Communicate through learning Communities/ Forums. Researchers will have the access to the official GitHub repository of the University. It will help students to make their projects online on latest technology. In Online Program, workshops and webinars will be organized on regular basis to familiarize students with latest technologies.

MANAV RACHNA COMMITMENT FOR QUALITY EDUCATION

CENTRE FOR INTERNAL QUALITY ASSURANCE (CIQA)

The CIQA at Manav Rachna Centre for Distance and Online Education is a part of the institution's system and work towards realization of the goals of quality initiatives and sustenance for all its academic units. The prime task of the Cell is to develop a system for conscious, consistent and catalytic improvement in the overall performance by channelizing its efforts and taking measures towards promoting the holistic academic and administrative excellence of the units. Vision of CIQA is to ensure quality culture at the Institutions by institutionalizing and internalizing all the initiatives taken with internal and external support.

Objective: The objective of Centre for Internal Quality Assurance is to develop and put in place a comprehensive and dynamic internal quality assurance system to ensure that programmes of higher education in the online mode being implemented by the Higher Educational Institution are of acceptable quality and further improved on continuous basis.

Strategies are evolved by CIQA for:

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks;
- Relevant and quality academic/ research programmes;
- Equitable access to and affordability of academic programmes for various sections of society;
- Optimization and integration of modern methods of teaching and learning;
- Credibility of assessment and evaluation process;
- Ensuring adequacy, maintenance and proper allocation of support structure and services;
- Sharing of research findings and networking with other institutions in India and abroad.

MANAV RACHNA PROCTORING

The proctored examinations are conducted through Mettl platform. The features of the platform are as follows: Audio Proctoring, Video Proctoring supported by Artificial Intelligence, Image Proctoring, Facial recognition, email and ID card validation. For faculty the facility is available for question bank creation and setting up the question paper according to various difficulty levels and assessment tools.

Instructor has rights to create different assessments on the Learning Platform. Different types of assessments for online degree courses are:

- Online Quizzes
- Open Ended/ MCQs/ Essay questions
- Drag & Drop Activities
- Online Interviews
- Dialogue Simulations
- Online Polls
- Game Type Activities
- Peer Evaluation & Review
- Forum Posts
- Project/ Group Activities

Talentedge shall ensure that corporate partners issue an internship/ placement letter to successful students. Talentedge shall also monitor and evaluate the student performance during internship & would provide assessment scores for internship to MRIIRS. Talentedge shall also provide placement assistance at the end of semester 5 (where at least 3 interview opportunities will be given to candidate).

ADVANCING YOUR CAREER

Many of our students have chosen to study a postgraduate qualification online to enhance their existing career or to enable them to move to a new one. Studying online while working means you can immediately apply what you learn to your profession, combine the theoretical with the practical, and bring a global perspective to your role and profession.

The critical and analytical research skills gained during a masters can also be a platform for advanced research such as a Ph.D., and many students go on to have their work published in high-impact journals and at conferences.

Studying our programmes:

- Provides the opportunity to learn new skills and further develop existing ones
- May help you stand out from the crowd
- May make you highly attractive to prospective employers
- Could lead to higher earnings - those with a masters degree earn on average 9% more.
- Can support your transition to a new career

THE ADVANTAGES OF PROFESSIONAL ACCREDITATION

Learn professionally-valuable skills

We are proud that our online degrees are accredited by professional bodies and organisations. These endorsements are hard won, and recognise our high educational standards, outstanding course design and delivery, and the relevance of what we teach to the workplace.

Importantly, the professional accreditation of your degree can make you stand out in a crowded job market and, in some cases, may be a requirement to work in your emerging chosen field.

- Our programmes are delivered in academic partnerships.
- Our suite of programmes helps support learning for still higher examinations.
- Our programmes have accreditation by Professional bodies.
- The curriculum is validated by acknowledged bodies.

DISTANCE ISN'T AN OBSTACLE WHEN YOU STUDY ONLINE

Supporting all our students' needs

As an online learner, you'll have access to a range of services to help with your studies, from academic to personal support. We know how hard it can be to accommodate learning into a life that may already be filled with professional, personal and family commitments.

We offer online programmes after conversing in depth with our learners and listening to their needs. That feedback has been vital in helping us build up the comprehensive suite of support services that we offer. As well as advanced technical resources, you will always be able to reach a real person just as you would if you were on campus. That's what being part of a community means.

Our support services include:

- Access to an IT support helpline service and technical support
- Access to the a large academic library
- English language support, including a proof reading service
- Academic and personal development resources

- Manav Rachna Centre of Online Education has robust Learning platform that provides feature of personalized dashboard from where user can track the performance. Dashboard also allows users to manage their profile and courses in which they have enrolled. Students can track the scores in quizzes/ assignments. Admin dashboard provides access to the complete class wherein assessments submitted can be graded by the instructor. The platform is user friendly and quite simple to use by users who have basic knowledge of working with internet.

- The information has been presented in easy & clear language so that users can easily navigate through different sections of the platform for learning. Appropriate use of graphics has been done to ensure that users find the information interesting & useful

E-content is available in four quadrant approach where Quadrant I shall be e-tutorial, audio/ video content/ animations/ virtual Labs etc. Quadrant II shall contain self-learning material, e-books, illustrations, case studies, presentations etc. Quadrant III including discussion forum & real time doubt sessions. Quadrant IV includes various assessments such as multiple choice questions, fill in the blanks, short & long questions etc

ONLINE ACCESS TO ONE OF THE A LARGE ACADEMIC LIBRARY

The library is one of the most valuable resources for our online learners. You'll have access to a large academic library with lakhs of printed volumes, e-books, e-journals and databases available via the library, including most of the core readings and resources required for our programmes.

The library has an e-preference collection policy, which means the online version of a new resource is purchased if possible. We also have many reciprocal agreements that will give you access to other libraries.

As part of the library services, your academic tutor will guide your reading with recommended lists of material. We have also created written and video guidance to show you how to use the library's search tools. Finally, you will always be able to contact a member of our library staff. They are experts, they have deep knowledge of the library's resources, and they are there to help you.

WORLD-CLASS LEARNING TECHNOLOGY

Enhancing the student experience and community is a core component of the teaching commitment of the MREI. We have invested heavily in technology and in the professionals who push that technology to deliver tangible benefits for all our learners.

We have recruited the largest team of learning technology experts. They work very hard to create an online learning environment that seamlessly delivers the learning experience you expect from a university of our calibre.

A variety of digital platforms are used to deliver content and help you collaborate with other students and academic staff.

These platforms will typically include:

- Virtual learning environments (VLEs)
- Discussion boards and web forums
- Real-time video conferencing and collaboration tools
- Video streaming services like YouTube/ Vimeo.
- Projects/ Collaboration work on GitHub.

MANAV RACHNA CENTRE FOR DISTANCE AND ONLINE EDUCATION

SCHOLARSHIP POLICY

Policy

a. On Merit Basis

For UG Programmes:

85% and above marks/ CGPA in qualifying exam will be awarded 75 % tuition fee waiver

80% to 84.99% marks/ CGPA in qualifying exam will be awarded 50% tuition fee waiver

75% to 79.99% marks/ CGPA in qualifying exam will be awarded 25% tuition fee waiver

70% to 74.99% marks/ CGPA in qualifying exam will be awarded 10% tuition fee waiver

For PG Programmes:

80% and above marks/ CGPA in qualifying exam will be awarded 75 % tuition fee waiver

75% to 79.99% marks/ CGPA in qualifying exam will be awarded 50% tuition fee waiver

70% to 74.99% marks/ CGPA in qualifying exam will be awarded 25% tuition fee waiver

65% to 69.99% marks/ CGPA in qualifying exam will be awarded 10% tuition fee waiver

b. Under Special Category

Categories	Fee Concession	Documents to be Submitted	Continuation
Empowering Women	20% on Tuition Fee subject to a maximum of Rs. 5000	Self Declaration	For all Years

However, if any student considered for fee concession in the first year fails in any of the subject, he/she may be considered for continuation of fee concession provided that he/she shall have to clear the subjects in the subsequent academic year failing which he/she may be not be considered for the continuation of Fee Concession.

ENGAGE WITH COURSE CONTENT WHEREVER YOU ARE IN THE WORLD

Using 360-degree videos and virtual reality in online learning

The recently developed advanced 360-degree video technology makes learning experiences even more interactive. The ability to introduce practical knowledge to the online classroom without you having to physically be in the room creates a new dimension for your learning.

Our 360-degree technology gives you the capacity to look anywhere within a video, immersing you in the world of a given task or activity. This gives you a real sense of 'being there' and having control over what you view takes your engagement to a new level. Delivering content in ways that work for students.

The way we use technology is just as important as how advanced the technology is. Many of our students work in remote areas with an unreliable internet connection or low bandwidth, which makes large video and other files impractical for them to study from. So we make learning materials available in a variety of formats including audio files, PDF transcripts and Powerpoint files.

Bachelor of Computer Applications

An Industry aligned programme that focuses on providing students with industrial exposure and practical knowledge with case studies. A BCA graduate will be equipped with vocational knowledge to get placed in global industry.

■ USP's:

- Dynamic syllabus to fore the analytical skills, programming knowledge, logical reasoning, and creativity to find solutions for a more integrated technological world
- Teaching-Learning approach associated with Industry-oriented expertise.
- Hands-on on Real World projects to accouter learners to maneuver the Industry accustomed defiance.
- To dispense skillful technical and analytical career oriented cognition.
- To develop distinctly skilled as well as professional proletariat to contribute to Industry requisition.
- Integration of latest technologies with the learning content material to make e-learning process simpler and understandable.
- Strong Mentorship and Counseling system by top industry leaders.

■ Programme Layout:

- **Duration:** 3 Years
- **Total Credits of the Programme:** 120
- **Eligibility Criteria:** 10+2 Examination / Equivalent Examination with at least 50% marks in aggregate studied English as Compulsory subject.

Specialised Domains in Cyber Security by PaloAlto & by Quick Heal Academy

■ USP's:

- To equip students with the next generation cyber security knowledge and skills to succeed in today's rapidly changing cyber threat landscape.
- Students will able to Work on Magic Quadrant for Network Firewalls.
- An Industry-aligned programme that focuses on providing students with industrial exposure and case studies for a practical outlook. The professionals from the company themselves conduct the lecture and teach students what is actually practiced in the global industry.
- The course will cover the Design of Secure Networked Systems, Develop Secure Programs with Basic Cryptography and Crypto API, Hacking and Patching Web Applications, Perform Penetration Testing, and Secure Networked Systems with Firewall and IDS, which will prepare the students to perform tasks as Cyber Security Engineer, IT Security Analyst, and Cyber Security Analyst.

JOIN A STIMULATING AND SHARING GLOBAL COMMUNITY

Shaping the future of online learning together

We are proud of what we have achieved with online learning at the MREI. We have built the largest portfolio of online postgraduate programmes. We have developed degrees and intend to help learners take a big step forward with their lives. This takes vision and hard work from teams of experts, and we learned plenty of lessons of our own along the way.

If there's one thing that all this work has shown us, it is that digital education is changing. Rapidly.

What learners want to study, how they want to study, where they want to learn, who they want to work with and be taught by it's all fluid and fast-moving.

So we know that as we work to realise our vision of being a world-leader in digital education, we will need to change too. We want to develop, to deepen our expertise, advance our technology and extend our research. We want to always be scanning the horizon to see what is coming next, to understand it, to embrace it. To master it.

To do that, we need you.

So, if you want to transform your career, awaken your powers of critical thinking, join a stimulating and sharing global community, have a tangible impact on society around you and help realise the bold vision of a Manav Rachna Online we invite you to join our online programmes.

YOU ARE ALWAYS WELCOME

MREI Alumni Communities

At Manav Rachna, we have a strong Alumni Association which is passionate about the university Alma Mater and comprise experts in relationship building, engagement and marketing. These university alumni with marketing credentials can be excellent candidates for such roles and can identify prime needs of Alumni relations. These activities include providing assistance in finding jobs, or helping alumni to gain visibility for themselves or generating opportunity for alumni to visit back to campus often. Manav Rachna also uses social media to engage Alumni in today's Digital Age by creating vibrant groups such as - Linked-in, Facebook groups, Twitter, life-long email address, private networks to encourage alumni groups to join these groups before they graduate, to help them network and make transition to being alumni themselves. We also use a very interesting alumni engagement tool each year - The Manav Rachna Alumni Day. The day is celebrated with passion and great zest across and rejuvenates our alumni with lifelong love for their Alma mater.

Virtual and On-campus Graduation

Being thousands of miles away will not stop many of our online learners from attending their graduation ceremony.

Now, our online students can take part in their real-time graduation in an online capacity. Such virtual graduations take place in our campus. The facilities are heart-winning.

Of course, should you want to visit the campus, you are most welcome to join us. Many of our online learners make the trip to explore the campus, meet academic staff or see more.
