## Part – II: Requirements as per Centre for Internal Quality Assurance (CIQA) Functioning

### 2.1 Action taken on the functions of CIQA:-

| S. No. | Provisions in Regulations  | Details of Action taken by CIQA and Outcome thereof (Not more than 500 words)  |
|--------|--|--|
| 1.     | Quality maintained in the services provided to the learners  | Building an emotional connect with the students is essence of CDOE because there is no physical touch with students when courses are delivered online. In order to maintain the standard of the services offered to students, CDOE makes sure that the e-learning material are available to them and have a proper system in place so that students can understand and access the resources from the e-library, website, and SWAYAM portal with ease. The IT team conducts regular training for the students to access the content. Students are 24/7 connected with program coordinators to resolve their queries regarding academics, or administrative tasks. Program coordinators serve as their academic mentors as well. In addition to the aforementioned, CDOE's IT team works around the clock to continuously update the website with information on the Academic Calendar, Date Sheets, Orientation Programme Schedule, Results, Curriculum, Time Table for Live Lectures, Fee Details, Details of Extracurricular Activities, and any other updates. |
| 2.     | Self-evaluative and reflective exercise undertaken for continual quality improvement in all the systems and processes of the Higher Educational Institution. | CDOE regularly conducts audits of the videos, power point presentations, and self-learning materials. Faculty members have received the necessary directions and training in order to provide the content that covers all quality parameters. Additionally, it is made sure that programme and course outcome mapping is done in accordance with the goals of each programme. Faculty members are encouraged to participate in workshops and faculty development programme to advance their knowledge and abilities. Additionally, CDOE often hosts webinars and workshops for students as well as faculty members to further enhance their knowledge and professional skills.   |
| 3.     | Contribution in the identification of the key areas in which Higher Educational Institution should maintain quality  | The primary focus of the Centre for Distance and Online Education has been on the teaching and learning process. To keep the standards in line with the University policy, proper mechanism of teaching process is defined. The academic staff is motivated to publish papers in reputable national and international journals and conferences. Faculty members are also encouraged to assist PG students for their research projects and motivate them to take interest in the field of research too.   |
| 4.     | Mechanism devised to ensure that the quality of Online programmes matches with the quality of relevant programmes in conventional mode (For Dual Mode HEIs)  | The course material is entirely at par with the conventional system of teaching. The online education's courses, curriculum, and credits are aligned with the conventional educational model. To give students the finest instruction possible, online education recruits highly qualified instructors with strong teaching backgrounds. The course and programme outcomes are laid out according to Bloom's taxonomy level in the curriculum. International professors and industry professionals share their knowledge through webinars, which not only adds value but also improves the students' understanding of the industry.  |

|-----|--|---|
| 5.  | Mechanisms devised for interaction with and obtaining feedback from all stakeholders namely, learners, teachers, staff, parents, society, employers, and Government for quality improvement.                             | Mid-semester and end-semester feedback from stakeholders, including students and faculty members, has been collected as part of CDOE's regular practice. The members of the feedback committee continuously analyse the feedback of the students based on the curriculum and learning platform using a variety of metrics. The committee ensures to address the problems and recommendations put forth by the stakeholders in fixed stipulated time. A dedicated Student Facilitation Centre (SFC) team and Program Coordinators are available around-the-clock to take student concerns and ensure that they are resolved within a certain time frame. The Feedback Analysis report of AY 2022-23 is attached as Annexure II.1.                    |
| 6.  | Measures suggested to the Authorities of Higher Educational Institution for qualitative improvement  | The University is in the process of introducing new degree programmes from AY 2023-24 for the students that will lead to more valuable skill-oriented programmes being provided to the students.  |
| 7.  | Implementation of its recommendations through periodic reviews   | CDOE has done a rigorous exercise for introducing new degree programmes from the academic session 2023-2024. The curriculum is designed at par with the conventional mode of teaching. The curriculum passes through the proper process of approval after taking feedback from stakeholders and recommendations from Board of studies, Board of Faculty and finally by the Academic Council of the University.  |
| 8.  | Workshops/seminars/symposium organized on quality related themes, ensure participation of all stakeholders, and disseminate the reports of such activities among all the stakeholders in Higher Educational Institution. | As a regular practice, CDOE has organized Expert talks, workshops and trainings for the faculty members and students in the various wide areas such as Innovation and Incubation, Idea to Startup, Success by Design & not by chance, Career opportunities and placements, Application of Input output framework in Economic policy, Rethinking, Energy-Poverty and Best Practices, Intellectual property Rights and training on Learning Platform & E-library Resources.   |
| 9.  | Developed and collated best practices in all areas leading to quality enhancement in services to the learners and disseminate the same to all concerned in Higher Educational Institution                                | From inquiries about student admission till course completion, CDOE makes sure that the best procedures are followed in order to create a welcoming and encouraging environment for the students. Best Practices adopted by the department include a multidisciplinary approach, academic flexibility, a choice-based credit system, learning from industry experts and foreign professors, the mentor-mentee approach, a grievance redressal cell, a committee for analyzing student feedback, a dedicated Centre for student facilitation, an IT team and an emotional connection with students. Through creative thinking, the learners are helped to discover who they are, and how they prepare themselves to lead in a more varied community. |

**5.2 Compliance status of 'Quality Assurance Guidelines of Learning Material in Multiple Media and Curriculum and Pedagogy' – As per Annexure - VI of UGC (ODL Programmes and Online Programmes) Regulations, 2020**

*HEI shall mention compliance details against the requirements in terms of learning material (Print Media), Audio-Video Material, Online Material, Computer-based material and Curriculum and Pedagogy, as mentioned in the Annexure-VI of the Regulations for ODL programmes.*

CDOE, under the aegis of MRIIRS deploys 4-Quadrant Approach quadrupled into e-tutorial delivery, e-Content uploading, Discussion forum handling and Assessments. In order to match the high quality requirements laid by the SWAYAM guidelines, the course material has been meticulously designed and developed by the subject experts and professionals. The course coordinators prepare the video and audio content in an organized and well-structured manner as per the Syllabi topics and units. The video demonstrations are kept lucid and are presented in the form of animations and diagrams along with the transcription of the video that enables a better grasp and understanding of the topic. There is a formally designated e-platform where the doubts are taken up and resorted to with maximum student satisfaction. The Assessment scheme is also programmed along the lines of 4-quadrant approach with the mapping of course outcomes and learning outcomes where the evaluation take place in the form of Multiple Choice Questions, Short Answer Questions, Long Answer Questions, Quizzes, Practical Questions, Presentations, Assignments and solutions etc.

Sample of one course: "Human Resource Management" having four-quadrant approach is annexed as Annexure V.2.

**5.3 Compliance status in respect of e-Learning Material– As per Annexure - VII of UGC (ODL Programmes and Online Programmes) Regulations, 2020**

HEI shall mention the process followed to ensure that SLMs are prepared as per the guidelines mentioned in the Regulations. The explicit details of approval by its Statutory Authorities shall also be mentioned.

It is a regular practice to ensure that self-learning material should incline towards clear objectives, intended learning outcomes, study help and suggestions for learners on how to use the material most effectively. The SLMs are self-explanatory, self-contained, illustrated, simple to understand, and organized in the form of units as per the curriculum structure. The Performa of the SLM is well structured comprising of course description, objectives, activities, assignments, and further resources and book references. The competent authority ensures that SLMs are delivered in an interactive, conversational style using dialogue and a unique writing system to foster more interactive culture amongst the learners. All SLMs are evaluated and approved by the respective Programme Coordinators and the competent authority. Also, the revisions and suggestions are suitably incorporated on a periodic basis to maintain the benchmarks

Sample of Self Learning Material is annexed as annexure V.3.

## Part – VI: Programme Delivery through Learning Platform

### 6.1 Details of Learning Platform

*Please provide link and details of Learning Platform opted by HEI.*

- In case of SWAYAM Learning Platform, details of HEI having access to SWAYAM for the proposed programmes of study (with respective link), duly approved by the statutory bodies of the Higher Educational Institution empowered to decide on academic matters, for – Learner Authentication, Learner Registration, Payment Gateway and Learning Management System

SWAYAM Portal provides a delivery mechanism to MRIIRS online learners at CDOE. The portal enables us to segment an entire syllabus of a course into module-based and week-wise basis. Each module consists of Self-Learning Material for the students along with multimedia content in form of recorded audio-video lectures. In addition, students can assess their understanding by attempting objective-based tests and quizzes, which indicates the detailed explanation to the questions. For encouraging higher order thinking skill (HOTS) among the students, advanced level questions are included in the assignments, which are attempted and the answers are uploaded on the platform in a given period for further evaluation by the respective faculty.

Copy of approval of Learning platform –Swayam approved by statutory body and links for AY 2022-23 are attached as annexure VI.1

- In case of Non-SWAYAM Learning Platform, evidence to ensure that it is not used in any franchise arrangement with a private service provider and HEI has the ownership of offering Online programmes including all the required components of Online education and compliance to all the provisions of the regulations

### 6.2 Compliance status in respect of the Programme delivery

*HEI shall mention mechanism followed to ensure the learner's participation at least for two hours every fortnight as per provision 13 (C) (5) of the Regulations, 2020. Further, details of the norms followed by HEI for delivery of courses in online mode in Teaching- Learning scheme (as per table 3, Annexure – VII)*

A well-defined and proper mechanism has been put in place to ensure that programme delivery takes place according to the provisions and regulations of the UGC Mandate. The course is carried out in the 4 quadrants approach. Besides this, due weightage of each course is given according to the credit of the respective course in terms of asynchronous and synchronous comprising of interactive sessions/webinars/live sessions and discussion forum as well.

Apart from this, study plan has also been followed for e-Tutorial hours and e-Content hours as prescribed by the regulations. A provision of self-study hours has also been kept for the students. The total hours for each course are then duly calculated as per the credit requirement of the respective course to ensure the overall smooth delivery of programme.

The course material and delivery are methodically planned and displayed by the respective course coordinators, as per the benchmarks stated by SWAYAM guidelines. The course coordinators formulate the video and audio content in an ordered and well-structured manner as per the curriculum structure and units.

Centre for Distance and Online Education makes sure the preparation of high-quality self-Learning Material (SLM) and e-learning resources for online learning. SLM is explicitly directed towards clear goals, stated learning outcomes, guidance and propositions for the learners on the optimum utilization of the E-learning resources

Based on Bloom's Taxonomy, each programme has been crafted with specific objectives termed 'Programme Objectives', which are in alignment with the designated 'Course Outcomes'. The content for online programme has been designed while considering these objectives in mind and in light with PO-CO mapping.</p> <p>There exists a two-way mechanism of online programme delivery, which includes non-synchronous and synchronous lecture series. The non-synchronous content is delivered via the Swayam Portal.</p> <p>It includes module-based self-learning material (SLM hereon) curated in lucid language by a team of respective subject experts for their domain specific courses. This is supplemented by multimedia content for in-depth understanding of that module. The faculty with the help of teaching-learning material demonstrates problem solving approach, explains the case in hand and at the end of the video, the faculty posits some questions related to real-life situation which inculcates the higher order thinking skills among the learners. These questions are later taken up by the faculty during the live lectures. The SLM is further supplemented with more pedagogical features such as quizzes, assessments and assignments</p> <p>The learners are also encouraged to take-up the advanced level knowledge for specific topics by</p> |  |

## Part – X: Innovative and Best Practices

### 10.1 Innovations introduced during academic year

- In sync with the vision of CDOE at MRIIRS to bridge the academia-industry gap, the centre has conducted several webinars with industrial-expert and international professors throughout the academic year 2022-23.
- Besides this, there were many events such as freshers' party, open-house quizzes, presentations, etc. in which the students were encouraged to participate across disciplines and show-case their academic and co-curriculum talents.
- The Centre has released its first edition of newsletter. This is to encourage students to contribute in terms of write-up, articles; highlighting students' expertise, success-stories, performances in their professional careers and co-curriculum activities.
- Mentors have guided MCA IIIrd Semester (Jan, 2022 Batch) students to write the Research Paper.
- Employee based subject has also been conducted for MBA IIIrd Semester (Jan, 2022 Batch) students where group discussions, Personal Interviews were held for their Placement preparation.

### 10.2 Best Practices of the HEI

#### Multidisciplinary Approach:

CDOE believes and provides multidisciplinary approach for the students to shape their career inside and outside their domain of education and to meet the evolving needs of the society. In multidisciplinary approach, students are inspired to select diverged courses from different disciplines to expand their knowledge, discover themselves through creative thinking and learn the skills of collaboration.

#### Quality

CDOE provides quality programmes to those students who are not able to draw benefits from conventional system of education. It follows Choice Based Credit System (CBCS) with an enriched and wide basket of Elective Courses including Discipline Electives, Generic Electives, Open Electives and Industrial Training. The course work is supplemented by invited lectures from eminent persons from academics and experts from industries. Soft skills' training is provided to make students recruitment ready for job opportunities in IT industries and other enterprises.

In pursuit of academic excellence, the Centre ensures the flow of e-content and multimedia content pass-through Quality Checks with raised parameters. This keeps a constant check on the sync of asynchronous and synchronous lectures while ensuring that appropriate pedagogical features have been embedded in the e-content. Besides this, the Centre takes utmost care to update the content as per the dynamics of the real world with the approval of BOS, BOF and Academic Council.

#### Webinars and Talks by International Experts

With the motive of providing competitive edge to the learners, CDOE has been rigorous in conducting webinars and lecture sessions by the International experts throughout the academic year. This equips the students to know what is actually happening in the real world and prepare themselves as per the future trends and demands. The following is a gist of such webinars:

- Dr. Arijit Sikdar, Associate Professor, University of Wollongong, Dubai | Doing Business in Emerging Markets – Challenges and Opportunities
- Dr. Bahrullah Safi, Vice President International, Acacia University, Arizona, USA | Use of Artificial Intelligence and its

**Emotional Connect with the students**

CDOE has mentor-mentee approach where mentors connected 24/7 with the students. Apart from above, Student facilitation Centre facility is provided to students to send their queries (both academic and administrative) and turnaround time for resolving those queries is 24 hours. The ladder of CDOE is as follows:

Mentor->Assistant Director->Deputy Director->Director

CDOE has conducted various online debate sessions for the students which has not only helped them to increase their knowledge but has also helped them to see a particular situation from different angles, hence increasing their logical reasoning.

**Events and Co-Curriculum Activities**

Fresher's party was also organized where the students participated with full zeal and made it a big success online, students were also issued the digital participation certificates to keep them motivated. The Centre has also hosted numerous events such as quizzes and open-house presentations wherein students across different disciplines participated together.

#### 10.4 Success Stories of students of Online mode of the HEI

Everyone wishes to be successful in their lives but the meaning of success varies from one person to the other. One can be successful if one puts in the effort and works hard. It is impossible to achieve success and achieve your goals without continuous effort and hard work. The success story of our CDOE students are as follows:

- Sahib Singh (BCOM First Year, CDOE) has represented MRIIRS in 'North-East Inter-University in Athletics' (shotput) event held at KIIT Bhubaneswar from 20th to 23rd December, 2022 and secured a Gold medal for the university. Besides, he has also bagged the first position in 'All India Inter-University Athletics' held at Chennai from 13th to 16th March, 2023. Mr. Sahib has earned many accolades for the university in the field of shotput. He has won 4 Gold, 6 Silver and 3 Bronze Medals to his credit. Recently, he added a silver medal in the 26th Federation Cup Senior Athletic Championship, 2023, Ranchi to his kitty. To acknowledge and inspire the achiever, MRIIRS has granted him a waiver of 50% on the tuition fee for AY 2023-24.
